Through the Islands of Greece

**Experience a True
Island Paradise**

Welcome to Skopelos

Your September Swim Escape

Join us on the emerald island of Skopelos for a week shaped by saltwater, sunshine, and shared adventure. Each day we'll explore sheltered bays, open-water passages, and the crystal-clear Aegean that has inspired travellers for centuries.

You'll swim in small, supportive groups with coaching woven naturally into every session — ensuring everyone, from steady cruisers to confident explorers, finds their rhythm, confidence, and joy in the water.

What a Typical Day Looks Like

Each day on Skopelos is thoughtfully curated to balance swimming, discovery and time to unwind. Most mornings begin with a coastal or cove-to-cove swim — supported, guided, and shared as a group. On some days we'll stay close to home; on others we'll venture farther afield by private boat or coach to explore spectacular bays and beaches around the island.

Lunches are included throughout the week, often enjoyed together at a seaside taverna — the perfect chance to refuel, relax, and share stories from the morning. Afternoons may carry us into a second swim, a cultural stop, or a short walk to one of Skopelos' postcard villages. There's always room in the rhythm to stretch out on the sand, take a dip at your own pace, or simply enjoy the island's slower heartbeat.

Evenings offer a relaxed sense of togetherness. We'll gather for one unforgettable group dinner at a beautiful, secret location to watch the sun sink behind the Sporades. The remaining nights give you flexibility to explore local restaurants, wander the harbour, or savour a quiet evening — with opportunities to reconnect as a group as the day settles.

Organised, immersive, and designed with care — it's a week shaped by the sea, the island, and shared company, with time built in to breathe and make it your own.
